

Introducing Yourself

Address your e-mail to me: paul.schumann@mnsu.edu

Use the correct e-mail subject line:

MBA 642-01 *your-last-name*

Copy the following 11 questions, paste them into the body of your e-mail to me, and then type your answers to each question:

1. Your name and MSU Tech ID #.
2. Your contact information (address, phone numbers, e-mail, etc.).
3. Your background (such as where you were born, where you grew up, where you attended school before going to college, etc.).
4. Your college education (such as where you got your undergraduate degree, the date of your undergraduate degree, your majors and minors, etc.; if you have attended multiple colleges or have multiple degrees, then list them all along with dates and the other information).
5. Your work experiences (for each job, include the dates of employment, the job title, the name of the organization, and a brief listing of the major duties).
6. Other information (hobbies, interests, and so forth).
7. Which MSU graduate program you are in (MBA, etc.).
8. What you hope to learn in your MSU graduate program.
9. What you hope to learn in our class (MBA 642).
10. A brief summary of your short-term and long-term career goals.
11. Anything else you'd like to tell me.
